

IVORY

WOODWORKS

Our company

We are a company located in Southeastern Manitoba that provides products and services to the cabinet making industry.

Our products

We make quality 5 piece wood doors and 1 piece MDF doors. Our mdf doors can be made with all the same profiles as the wood 5 piece doors.

We also provide part cutting and drilling services for cabinet boxes and drawer boxes on our Thermwood CNC machine.

Our mission

We work hard at provide excellent one on one personal service. We are a small enough company to do just that, although our machinery also allows us to do large orders efficiently. We look forward to serving your business. If there is any profile or custom project not found in this catalog we would be happy to discuss it with you to see how we can help.
